

FEEDBACK ACTION TAKEN REPORT 2021-22

Feedback regarding the syllabus structure and its utility was taken from Students, Teachers, Employers and Alumni by the Feedback Committee of the institution. Suggestions given by the above constituents were thereby put into the Management Meeting on **15/08/2022**.

As per other timely issues **no.6/1** the members present in the meeting took into consideration all those suggestions and forwarded the same for the necessary action to be taken by the administration.

Suggestions

1. The students recommended that online educational resources should be available and accessible in the library.
2. As per the suggestions of students classrooms/washrooms should be clean and properly maintained.
3. We need to keep updating the curriculum according to the needs of future times.

Action Taken

Considering the Feedback from all stakeholders, honourable members in the meeting suggested to increase the online educational resources and make them available to the students. They also suggested to administration of the college to look into sanitation monitoring system of classroom/washrooms and keep them augmented for utilization. Our college is affiliated to University so updating curriculum is the responsibility of University. Regarding curriculum, suggestions will be convey through BOS members to the University.
